

**Deafness Cannot be Cured**  
by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever, nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give one hundred dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

**The Presbytery.**  
The Presbytery of Arizona which has been in session in Phoenix since Friday evening adjourned Monday afternoon. Rev. Howard Billman was elected moderator.

Messrs. Thompson of Peoria, Wynnkoop of Phoenix and Corser of Flagstaff were ordained and given full power, as Christian ministers.

Most of the churches in spite of the hard times showed an increase in their contributions for charitable objects. The church at Flagstaff was not behind in this.

The most notable report of all was made by Mr. Cook, minister and missionary to the Pimas. One-sixth of the tribe are now professing Christians. During the past year 112 members have been added to his church. He is proving, in at least one instance, that there are good Indians aside from the dead ones. The Pimas under his administration are becoming sober, industrious and good citizens. Mr. Cook was granted an assistant, Mr. Wynnkoop, and probably another will be given him as soon as financial conditions will allow. The Presbytery adjourned to meet next year at Bisbee.

Americans are the most inventive people on earth. To them have been issued nearly 600,000 patents, or more than one-third of all the patents issued in the world. No discovery of modern ages has been of greater benefit to mankind than Chamberlain's Colic, Cholera and Diarrhoea Remedy, or has done more to relieve pain and suffering. J. W. Vaughn, of Oakton, Ky., says: "I have used Chamberlain's Colic, Cholera and Diarrhoea Remedy in my family for several years and find it to be the best medicine I ever used for cramps in the stomach and bowels. For sale by D. J. Brannen's Drug Store."

They say that Mrs. Fitzsimmons is something of a catch, but Mr. Corbett regards Mr. Fitzsimmons as a genuine heart smasher.—Atchison Companion.

An armed negro tramp who refused to be put off the train at Yucca was shot through the left lung by a deputy sheriff. The negro is now recovering in the Kingman jail.

The old Vulture mine at Phoenix was sold Tuesday to W. C. Davis of Tucson and H. M. Love of Chicago. The purchasers receive an absolute trustee's deed, shutting out H. A. Tabor of Denver, who was lately sold out by the sheriff. The mine, which has produced millions in the past, will be developed further by deep workings and a large mill and cyanide plant will be erected.
